ADV: DATA – GOVERNANCE Community Edition

Sorry, this is **NOT** a tool pitch

This is about our passion for **DATA**

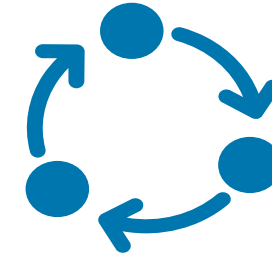

It's about

People

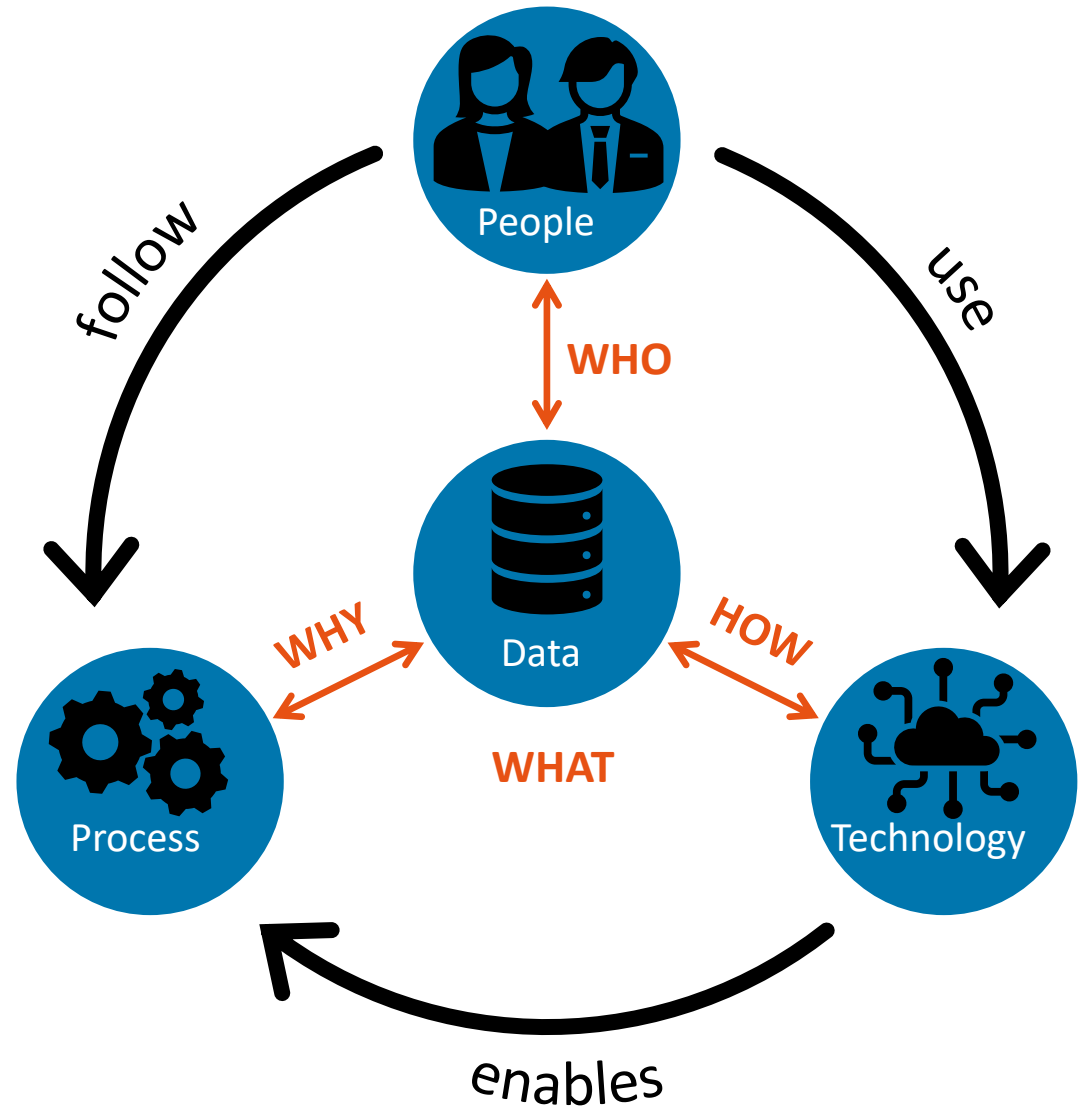

Organizations

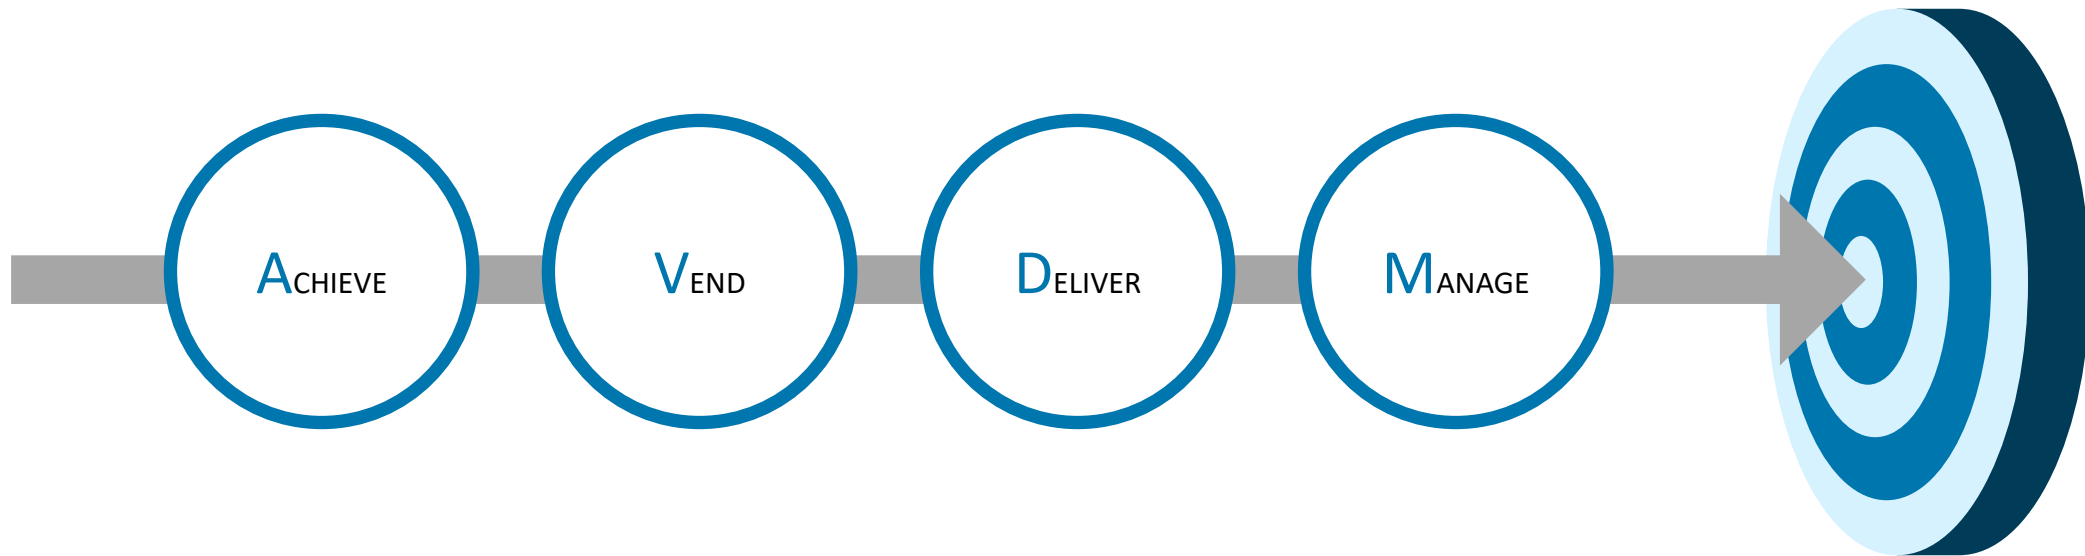

Processes

... utilizing **DATA**

- + Enables obtaining **VALUE** out of data.
- + It is a **JOURNEY**, not a destination.
- + It is **STRATEGIC**, not tactical.

We know how to ...

... **sell** and **justify** in your organization

Together with our partner **INFORMATICA**
AVDM supports you to enable
your data to become an **ASSET**

Our partner **INFORMATICA** thinks and acts holistically
